g. Support the design process

## Appendix A

### Criteria and Performance Indicators

Criteria and Performance Indicators for Student Learning Outcome 3

Student Outcome 3: An ability to communicate effectively with a range of audiences

Performance Indicator	Below expectations (1, or scored less than 70%)	Met Expectation (2 or scored between 70% to 80%)	Exceeded Expectation (3, or scored between 80% to 90%)	Outstanding (4, or scored between 90% to 100%)
(a) Written report: Content, organization, and				

## Appendix B:

Several changes have been made to the assessment process including updating the list of target courses where the outcomes are assessed and 2 flowcharts (Figs. 1-2) to help guide the assessment and continuous improvement processes. In addition, the duration of the assessment cycle has been shortened from 3 years to 2.
